STATE HEALTH COMMISSIONER UPDATES

Dr. Norman Oliver thanked the ACHDHE for their continued support of health equity initiatives in Virginia and shared the following updates.

- The Agency COVID-19 Response:

State Health Commissioner's Advisory Council on Health Disparity and Health Equity (ACHDHE)
April 13, 2021 Meeting Minutes

- As a major element of the State's Emergency Support Function IIIV COVID-19 vaccination initiative, the agency has been making efforts to ensure the equitable distribution of the vaccine.
- Other Agency Functions:
 - The agency is continuing to ensure the public health with its pre-pandemic activities roles like the environmental health duties, restaurant inspections, the delivery of safe drinking water, and food supply.
 - VDH is revamping the state's Health Improvement Plan and is gearing towards the completion of another health assessment. A critical element of this initiative manifests the collaborative work of a number of health departments, the healthcare systems, the academic and nonacademic institutions and several state agencies (Department of Medical Assistance Services, Department of Social Services, and the Department of Behavioral Health and Developmental Services).
